MONTY'S QUESTION AND ANSWER

Question:

"Taming horses is considered difficult and time consuming task. But a Brazilian student of Monty Roberts ensures that you can tame the animals within minutes and without any violence. Eduardo Moreira is a citizen who, literally, has fallen from his horse and ran the risk of becoming a paraplegic. Instead of wanting to distance the horses, Eduardo learned how to turn them into docile and calm animals. To prove that the technique actually works in Brazil, the Sunday Spectacular proposed a
