Question

What can horse friends learn in your demonstrations?

Answer

Horse friends can learn at my demonstrations that violence is never the answer. It has been my lifelong desire to change the traditional methods of training horses that typically have been very demanding.

Sincerely,

**MONTY'S PRINCIPLES
HORSE SENSE FOR PEOPLE**

Dear Monty,

Horses are great for therapy in many ways. The movement of their gait is unlike any other animal on earth and it will work the human body in ways no machine has ever been developed to do. It moves the muscles, bones, tissues, etc in a way that will help people of all disabilities to improve their mobility. It is great for autistic and other behavioral problems as there is something so soothing about the motion of your body on a horse.

I have always called riding my therapy in life - who needs a shrink when you can ride a horse and feel both mentally and physically better!

MONTY'S CHALLENGE

Test yourself each week as I challenge you to answer the question below. I mean this. Sit down and write an answer. Don't wait for my answer next week. If you have been reading my Weekly Questions and Answers for the last six months, you should be in a position to do this. Send your answer to my team at: askmonty@montyroberts.com

Why should you bother? Because it will help you focus. There is probably a comparable question in your life that needs answering... or will be. If you can gain insight into how to go about answering a practical question that is loosely related to your problem, this exercise will help you answer your nagging question. Then read my answer. I want all of my students to learn to be better trainers than me. That's good for you and good for horses!

~ Monty

NEXT WEEK'S QUESTION

Can anyone learn something from being around horses?

HORSEMANSHIP RADIO

As recipient of the first-ever Equus International Film Festival's Equine Icon Award, Monty Roberts was treated to a stay at The Paws Up Resort while at the festival in Missoula, Montana and spoke with the Equestrian Manager Jackie Kecskes about Montana horseback riding adventures and cattle drives on their 37,000 acres. And Michael Wakefield is a fourth generation horseman, competes in Combined Driving Events in Western U.S. and for the past 15 years has driven a four-in-hand on the stagecoach for Wells Fargo Bank.
