**Wednesday October 3, 2018**

Dear (Contact First Name) ,

### **Question**

Dear Monty,

You've said your goal is to leave the world a better place for horses and people as well. What advice do you have for others who would like to make this their own mission?

### **Answer**

It has always been my position one should send the next generation out like ripples on a pond. If the world is to accept my concepts, it will be the next generation or the one after which succeeds in accomplishing this goal. No one human can accomplish global change. It takes hundreds to change thousands and thousands to change millions. I am pledged to keep trying with every day I have left in this life of mine. My advice to others would be to learn my concepts and possibly even improve on them but then dedicate yourself to spreading these messages to the largest group possible in their lifetime.

Sincerely,

A handwritten signature in black ink that reads 'Monty' in a cursive, flowing script.

<https://vimeo.com/ondemand/152412>

Runtime: 429 Minutes

## **The Movement DVD + Online Video on Demand for**

**\$129** <https://montyrobortsshop.com/collections/dvd/products/events-the-movement-2018-symposium-dvd>

## **The Movement DVD + Online Video on Demand + 1 Hour of Coaching from Monty for \$499**

<https://montyrobortsshop.com/collections/dvd/products/dvd-digital-stream-coaching-with-monty-the-movement-2018-symposium>

This transformative two-day journey helped attendees discover the unique power of horses to find mindfulness, to learn and apply non-violent forms of communication and leadership and to help humans and horses live better lives.

In the arena, presenters and trainers shared their perspectives of the flight animal and how their vocations were changed when they were able to use horses as a metaphor for a better understanding of their work and relationships.

Monty Roberts was deeply impressed with this extraordinary group of presenters who will move you with their stories and lessons of horses transforming humans.

## **ONLINE PRODUCT REVIEW: I'M SHY BOY BOOK**

I read the PBS version of Monty's Book and was totally awed, knowing that Monty put his soul into that book of Shy Boy with a lot of horse background and I wanted my niece to learn more of 'horse'. By learning more of Shy Boy, she will respect horses and learn more about herself in the process. Monty's Shy Boy for children explains horse development and just what a horse may be thinking. This book has a wealth of information for not only children but also for adults. I not only bought my niece this book for her birthday but also the book for myself.

The children's version of Shy Boy has fabulously detailed with colored illustrations--a lot of visuals for both children and adults. Many thank yous, Monty Roberts and Family for your Philosophy of life and living and horses; sharing to make the world of horse and human a respectful, natural, peaceful and happy one. (many stars of 'buy the book' \*\*\*\*\*) :-)

Ms. Lorraine L., Verified Buyer

## **MONTY'S CHALLENGE**

Test yourself each week as I challenge you to answer the question below. I mean this. Sit down and write an answer. Don't wait for my

answer next week. If you have been reading my Weekly Questions and Answers for the last six months, you should be in a position to do this. Send your answer to my team at: [askmonty@montyroberts.com](mailto:askmonty@montyroberts.com)

Why should you bother? Because it will help you focus. There is probably a comparable question in your life that needs answering... or will be. If you can gain insight into how to go about answering a practical question that is loosely related to your problem, this exercise will help you answer your nagging question. Then read my answer. I want all of my students

to learn to be better trainers than me. That's good for you and good for horses!

~ Monty

## **NEXT WEEK'S QUESTION**

Hi Monty,

I have an older mare of which I have done a couple of sessions of Join-Up! When she turns to face me and licks and chews, I drop my eyes and try the follow up, my mare turns her head away! Why is that? She also does the same thing when I go to catch her in the paddock!

Kindest regards,  
Pam

---

## **HORSEMANSHIP RADIO**

Craig Cameron won the Road to the Horse competition and was inducted into the Texas Cowboy Hall of Fame. Kata Pataky became the first Monty Roberts certified instructor in Hungary and credits Monty's international recognition for her ability to have now taught over 400 students.
