Greetings!

### **Question**

If you could have a gigantic billboard in every barn, metaphorically speaking, getting a message out to all the riders in the world, what would it say and why? Are there any quotes?

### **Answer**

I would put a very large sign with words I heard in the early 1940's. My sign would read, "Blaming the horse for being wrong is like blaming the night for being dark." Horses can only act with their natural God-given tendencies, they cannot lie and they cannot contrive.

Sincerely,

A handwritten signature in black ink that reads 'Monty' in a cursive, flowing script.

## ONLINE PRODUCT REVIEW: MONTY'S GIFT SET

### Excellent quality

I was thrilled to receive my Join-Up Kit. The signed hardcover book is a valuable reference book. Even the University tuition coupon certificate is so beautifully done, not to mention my prized Dually Halter, which works a treat on my pony. Thank you for these items and the DVDs.

This transformative two-day journey helped attendees discover the unique power of horses to find mindfulness, to learn and apply non-violent forms of communication and leadership and to help humans and horses live better lives.

In the arena, presenters and trainers shared their perspectives of the flight animal and how their vocations were changed when they were able to use horses as a metaphor for a better understanding of their work and relationships.

Monty Roberts was deeply impressed with this extraordinary group of presenters who will move you with their stories and lessons of horses transforming humans.

### MONTY'S CHALLENGE

Test yourself each week as I challenge you to answer the question below. I mean this. Sit down and write an answer. Don't wait for my answer next week. If you have been reading my Weekly Questions and Answers for the last six months, you should be in a position to do this. Send your answer to my team at: [askmonty@montyroberts.com](mailto:askmonty@montyroberts.com)

Why should you bother? Because it will help you focus. There is probably a comparable question in your life that needs answering... or will be. If you can gain insight into how to go about answering a practical question that is loosely related to your problem, this exercise will help you answer your nagging question. Then read my answer. I want all of my students to learn to be better trainers than me. That's good for you and good for horses!

~ Monty
